MEMORANDUM FOR: Acting Director of Personnel  
FROM :   
DCI Administrative Officer  
SUBJECT : FY 1979 Annual Personnel Plan, Phase II  
REFERENCE : Your Memorandum dated 20 Dec 78; same  
subject

1. Attached is the 1979 Annual Personnel Plan, Phase II for the Executive Career Service. The statistics include the movement of NIO and ICS Personnel from the DCI Area to NFAC and RMS/CTS respectively.

2. Overall the "E" Career Service stayed within its on-duty strength projections and closely assimilates the projected strength by grade. The overall strength of women increased and exceeded our goals. While we fell short of our goals for blacks and Hispanics, we met our goal for Asian Americans. Promotion of minorities exceeded our goals. The Career Service did not reach its goal of clerical conversions. However, it is anticipated we will formalize our upward mobility program this fiscal year.
